

Thanks to the See Better to Succeed program, you can get a reimbursement of \$250 for the purchase of glasses for your child 17 and under.

BONHOMME À LUNETTES OFFERS

3 PAIRS OF GLASSES

FOR THE ALLOCATED AMOUNT*

Here's how it works:

- 1 Come and see us with your child 17 and under at one of our service points (don't forget the prescription)
- 2 Have him/her choose 3 frames
- 3 Fill out the reimbursement form on the RAMQ website
- 4 Come pick up the glasses when they are ready

Philippe Rochette opticien, member of l'Ordre des opticiens du Québec

*At the request of l'Ordre des opticiens d'ordonnances du Québec, we have to add this: with stock lenses (ar et rae en 1.5, 1.56 et 1.6. And simple surface lenses simple vision in cr39, focals rd 22 in cr 39et and st-28 in cr39.)So it works for about 97.2% of children's prescriptions. Does not include progressive lenses.
